

Full unedited blots

Full unedited blot from ProteinSimple Jess western blotting system for Supplemental Figure 1A, top (anti-GAB2 antibody)

Full unedited blot from ProteinSimple Jess western blotting system for Supplemental Figure 1A, bottom (anti-Actin antibody)

Full unedited blot from ProteinSimple Jess western blotting system for Supplemental Figure 1B, top (anti-PAK1)

Full unedited blot from ProteinSimple Jess western blotting system for Supplemental Figure 1B, bottom (anti-Actin antibody)

Full unedited blot from ProteinSimple Jess western blotting system for Figure 4A, top (anti-pAKT Ser473 antibody)

Full unedited blot from ProteinSimple Jess western blotting system for Figure 4A, bottom (anti-AKT antibody)

Full unedited blot from ProteinSimple Jess western blotting system for Figure 4B, top (anti pERK1/2 Thr202/Tyr204 antibody)

Full unedited blot from ProteinSimple Jess western blotting system for Figure 4B, bottom (anti-ERK1/2 antibody)
